

The tournament is dedicated to Win Hoyt, a longtime Manchester resident and former Director of the Chamber. Win and his wife, Lyn, moved to Manchester full time in 1965, after a successful career in the advertising industry. In 1979, Win took over the Caddie Scholarship Program at Ekwanok and provided great leadership until his death in 1989. He visited local schools and promoted the idea of caddying at Ekwanok. He provided training for all newcomers, began an annual caddie banquet, introduced contests for the attendees and oversaw the distribution of scholarships each year. If the Scholarship Fund fell below expectations, he would personally appeal to Ekwanok members for additional funds. The Scholarship program successfully continues to this day.

Our mission is to create opportunities that bring people together to build houses, community and hope. Allowing our partner families to own a safe, affordable, and quality house they can call home.
